ABOUT US

## 2000's Technology (3T) Inc.

**2000's Technology** has 20 years Software Solution experience.

We have partnered with Microsoft, IBM, SAP to provide end to end

support to drive mission critical data for mid to large level enterprises.

**We** are platinum partners of HP, IBM, Toshiba, Cisco,

Juniper and other popular hardware vendors.

Our hardware department can supply and support all your hardware

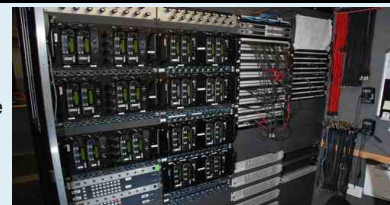

needs; from workstations to high-end outfitted server rooms.

**2000's Technology** is paving the way for unparalleled level of support and services. We provide services from networking to IT infrastructure security audits.

**2000's Technology** is an industry leader in communication services and products ranging from wireless systems to IP phone products.
